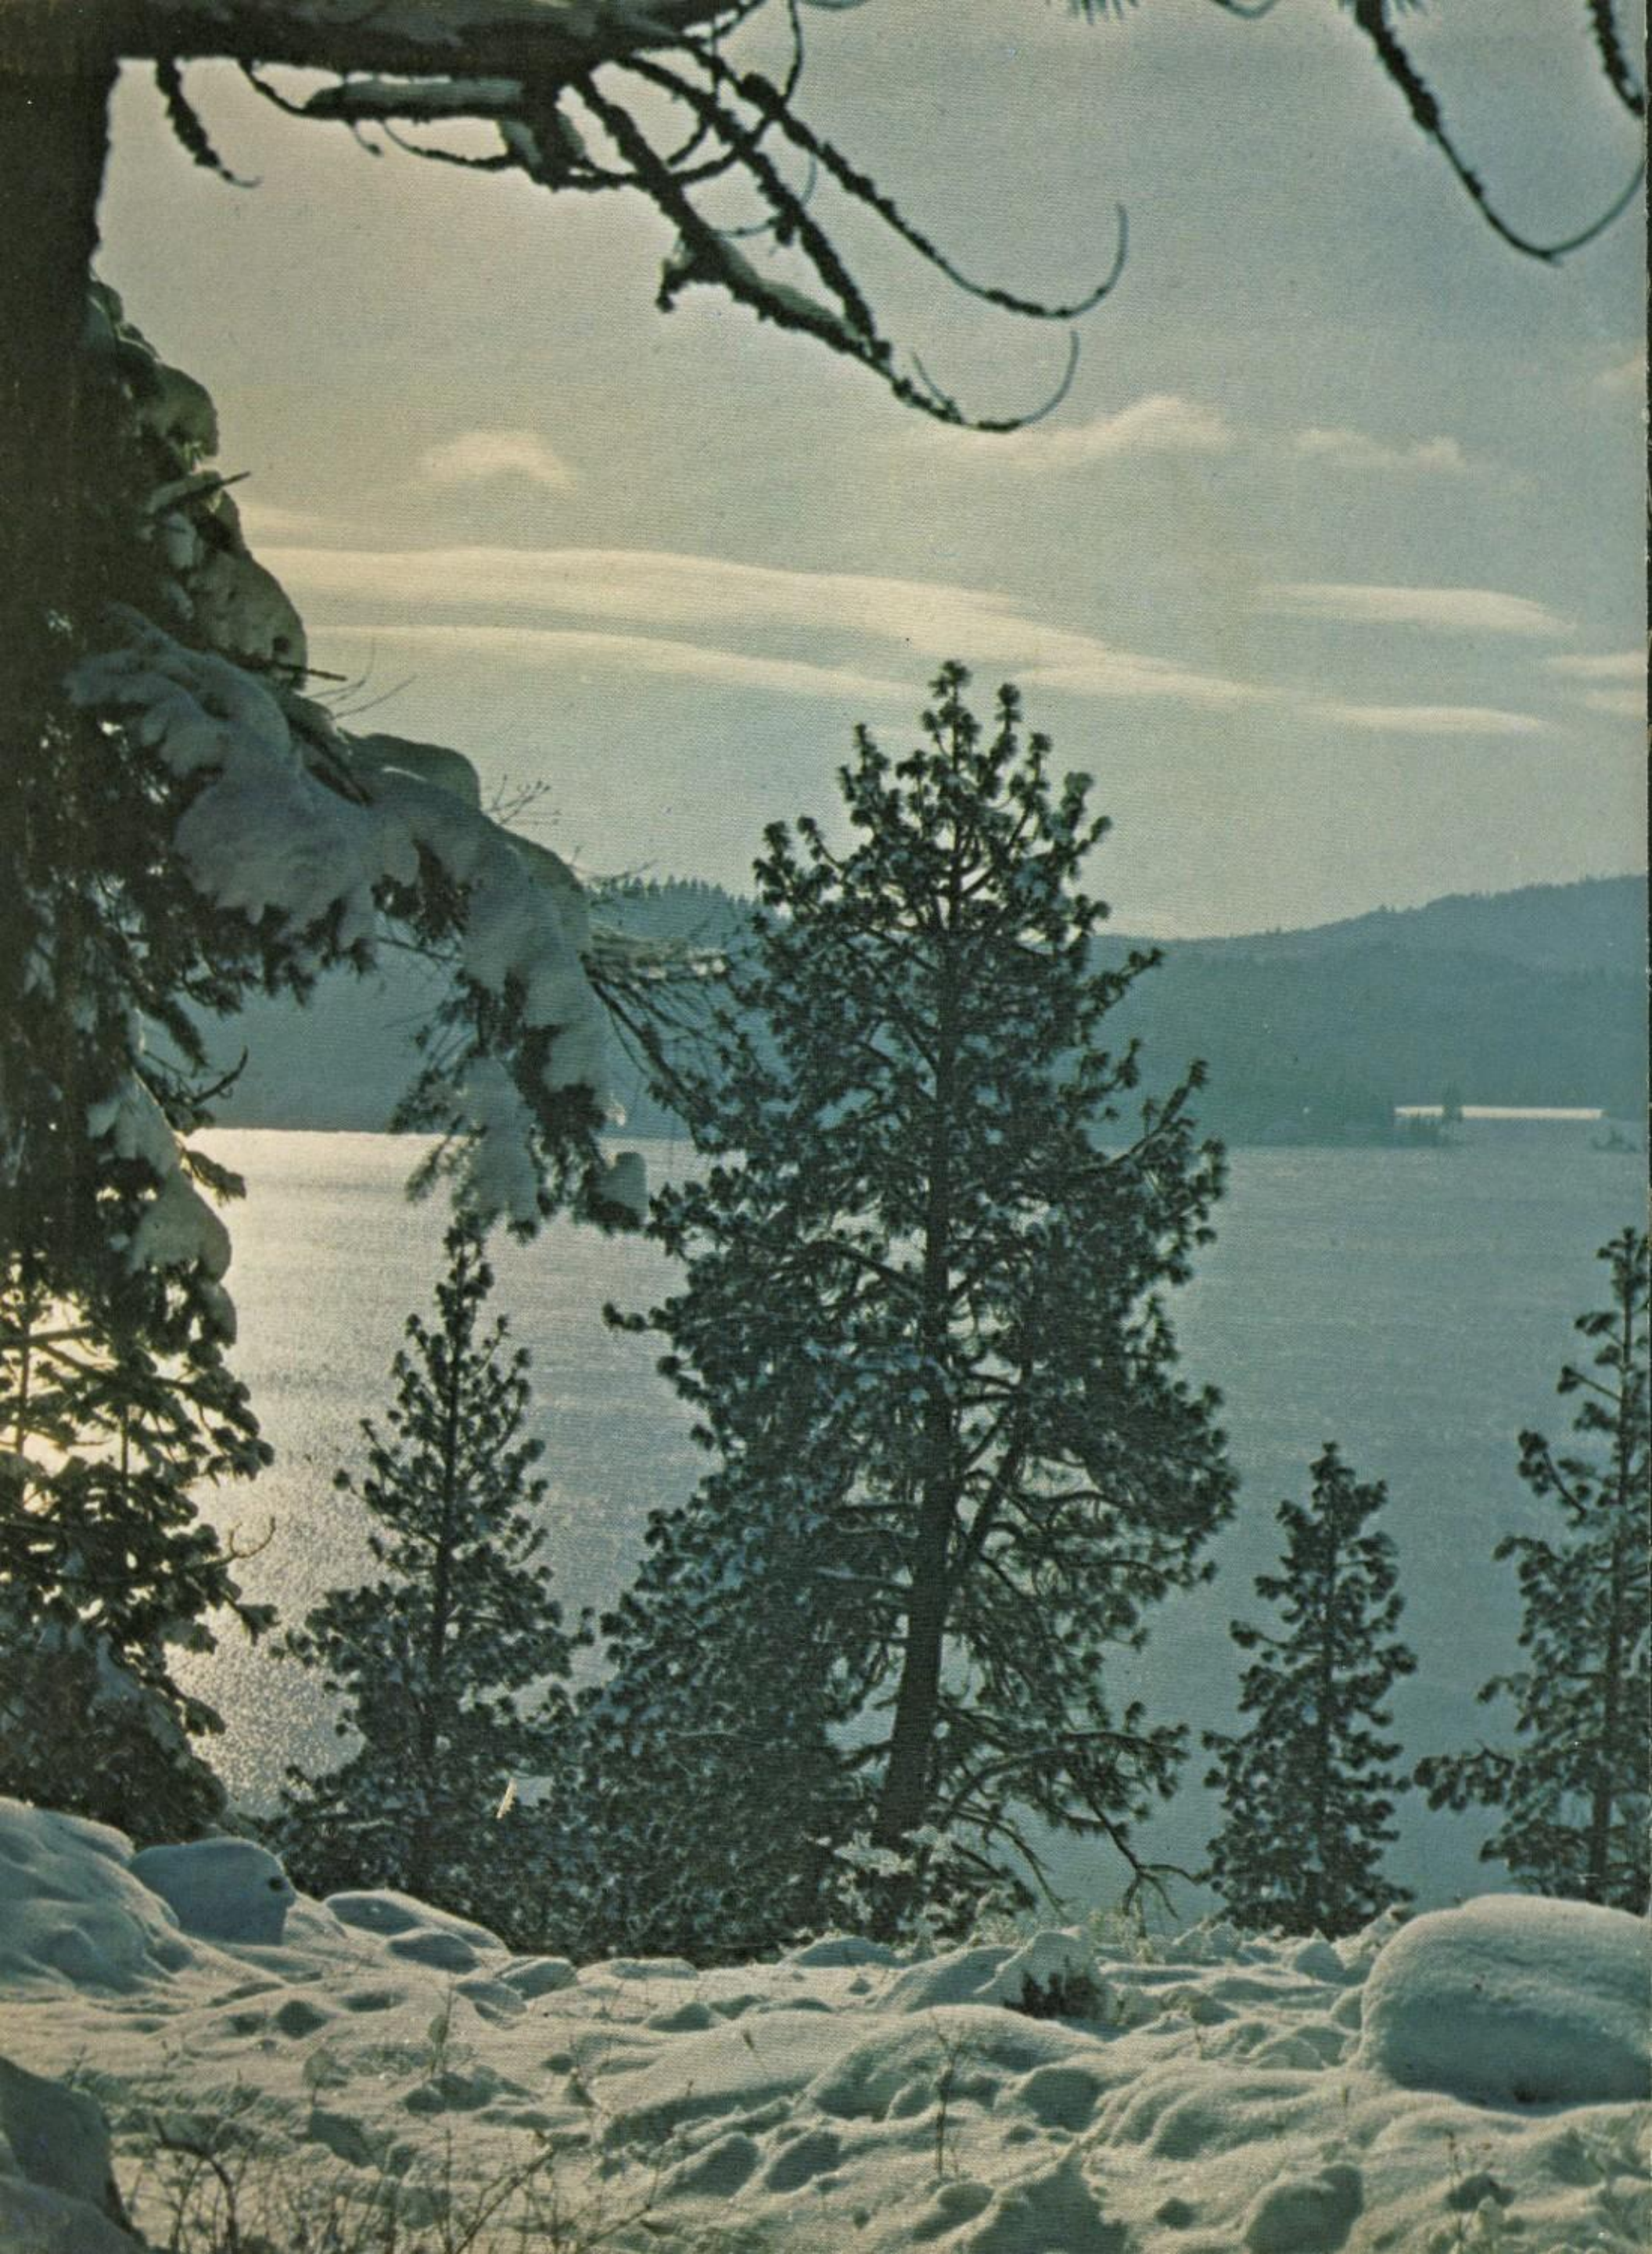
HUSKY TRACKS



DEDICATION

In grateful appreciation of his untiring and sincere efforts as teacher, advisor, and friend, we take this opportunity to dedicate this 1967 edition of Husky Tracks to Mr. Donald Hendricks.

Mr. Hendricks has headed the Industrial Art's Department at Elgin High School since 1953. He has built the department to the standard of excellence that is recognized by students, teachers, and the entire community. Moreover, he was one of the main speakers at the Oregon Small Schools Conference held during the school year. He was the recipient of a NDEA expense paid scholarship during the past summer, enabling him to take his family with him while he attended a Workshop at the University of North Dakota.

The Spring Show, started in 1954, is a school event that draws an interested and appreciative audience to view the arts and crafts displays made under the supervision of a man who loves his work, is a leader in his field, and who knows the value of special training.

WHITTEMORE LUMBER COMPANY

The school year 1966-67 saw Elgin's first Baseball team in a number of years. Through generous contributions by our townspeople, our team bought new uniforms. We were not in an official League as we started the team too late to schedule team play. Schools played were La Grande, Mac Hi, Athena, Weston, Imbler and Gaston. Highlight of the season was the trip to Gaston for a double header.
